NATIONAL WATER AND SEWERAGE CORPORATION

APPLICATION FOR NEW CONNECTION

Dear Customer,

Thank you for your decision to entrust NWSC with the responsibility of supplying you with portable water. On our part, we promise to serve you to the best of our ability, since THE CUSTOMER IS THE REASON WE EXIST.

In order to process your application, and for future correspondences with you, please carefully fill in part A of this form. In the space provided at the back of this form, please draw a sketch map of the proposed premises to be connected, which we require for surveying your site. On a separate sheet (*to be retained by the customer*), you will find a detailed procedure for connection and the general conditions under which we offer our services, please ensure that you read and understand them; we believe this will make our services to you simple and smooth.

Finally, as a checklist, please make sure that the following items are submitted together with your application form

1. *Recent Passport Photo of applicant*
2. *Letter of consent – If you are tapping the supply from a water line belonging to a neighbouring customer*
3. *Road-crossing permission (form issued on request) – If your water line is to cross the road*
4. *Proof of property ownership (Land title or Sale agreement)*
