

Utility Leaders Dialogue

Purpose of the session:

To allow for open discussion on how best we can strengthen regional and international collaboration in the region to lead and pioneer new and innovative solutions

- Step 1:** Introduction led by the Chairperson
- Step 2:** Discussion
- A. What are the major gaps/challenges with the existing collaboration networks/platforms
 - B. What can be done (new thinking) to strengthen the networks/platforms to lead and pioneer new innovations in the sector.
- Step 3:** Feed back: Summary of outcomes in the plenary 5 mins each group.
