

## NWSC Commissions Multiple Projects in Mbra

14th April 2015

NWSC in line with its goal of 100 % coverage launched various projects in Ndejja Nyiehanga and Shuuku. Mbarara was delegated the task of representing the entire corporation at the launches. The Hon. Minister for Water and Environment, Prof. Ephraim Kamuntu was in attendance and praised NWSC for its excellent performance.

## Jinja holds Quality Service Improvement Workshop

In striving to ensure customer delight and quality service delivery, the Jinja team held a Quality Service improvement workshop. The gathering was officially opened by the Regional Manager Central, Mr. Edmond Okaranon and was attended by Heads Of Departments who made presentations and staff.

## NWSC Kiryandongo To Get New Home

NWSC Kiryandongo team is to acquire a new home. Painting of the new office block is ongoing and the team hopes to occupy them by end of the week. The offices are located at Max Hotel, Kiryandongo Trading Centre along the Kampala Gulu Highway.

## Lira Completes Project to Kamteck Logistics Factory

The Lira team has completed a water project to Kamteck Logistics Ethernio Factory. The factory was previously served by a 2inch which was shared by the community. As such, NWSC launched works on a 1.5Km dedicated line to serve the factory. The project is expected to bring in shs 12million monthly in billing and will be officially commissioned by H.E Yoweri Museveni in May.

# Area Watch/ISDP updates

## Mutungo

Team from water quality carried out inspection of Mutungo Water reservoir tank

## Lira

Lira team yesterday beat UMEME Lira 4-0 in a football match. The game was part of internal teambuilding as well as stakeholder relations consolidation.

@NWSCMD @nwscug Thank you sir. My issue was sorted out on Saturday of this past week.

## Mbale

Accompanied by the District chairman, NWSC staff led by the manager Emmanuel Ekanya inspected the ongoing mains extension works from Manafwa to Nabumali. They also used the time to sensitise residents

## WATER THEFT

As water theft continues to be a major concern, NWSC's has various programs that are pushing for the complete halt of this vice. Among them are the WALOP (Kampala), RESAIL (Entebbe) and SNARP (Jinja). This section aims at exposing those caught in this illegal act and give the various teams a platform to showcase their work.

In Tororo, The SCAN 100 program subjected 6 accounts to plumbing audits. Of these, 2 were wooed back, 2 effectively disconnected and two illegals of whom one paid and the other eluded arrest. The Malaba operations will continue till Friday 17<sup>th</sup>.

## STOP WATER THEFT
