NEW HOME: NWSC KAJJANSI BRANCH GETS NEW PREMISES

## A new home for NWSC Kajjansi branch

NWSC Kajjansi branch has a new home, located 250 metres from Kajjansi Trading Centre. The new premises were identified by KW GM and now boasts of parking space, unlike the old premises. The Entebbe branch Manager, Jackson Turyahurira said the office will enhance the corporate image of NWSC. He further invited all to visit the offices. 3<sup>rd</sup> Feb

Lweza Pump tested, commissioned

The Lweza pump yesterday underwent testing and was commissioned. The pump will serve residents of Kitiko Lweza.

A team from Kampala Water assisted with pump installation and power connections. Kajjansi branch will be handling the operations.

# Network operations

With a 24hour call Centre and active social media accounts, NWSC gets timely updates on leakages, sewerage overflows and other network tasks. The teams on ground receive this information and perform their duties with skill and expertise.

Leakage on DN 100 near Prince and Princess Kindergarten & daycare Namirembe. Network team responded.

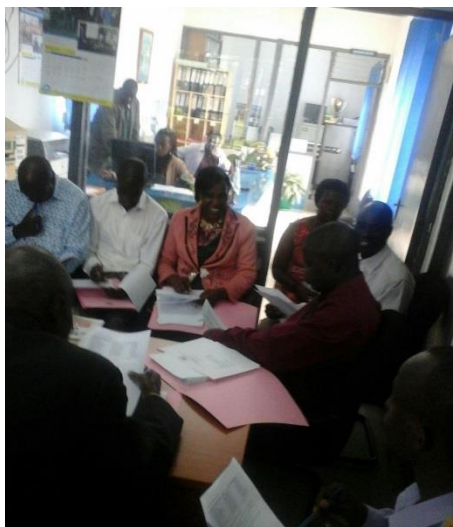

Water Stabilisation projects; NWSC team connects a newly drilled borehole in Apac

Burst on DN 300 along Namugongo road being repaired by the network team

## Area Watch

Bushenyi Water committee meeting. The session was chaired by Hajji Biraali Yasin
