

NWSC DAILY

Min Of State For Water Visits IREC

1st April 2015

The Minister of State for Water, Hon. Kibuule Ronald on the 1st of April paid a visit to the International Resource Centre. Present to welcome him were the NWSC directors, senior managers, managers, the board chairman, vice board chair, the managing director and NWSC staff. The media was also present to cover the event. The visit will also have a handover ceremony where the Board Chairman will hand the awards NWSC won in Geneva and Berlin to the minister. Awards to recognise hard work among NWSC staff were also given out.

From Left to Right; The Vice Board Chair, Mrs. Ruth Asiimwe Kanyaraju, Board Chairman, Dr. Eng. Christopher Ebal, Min of State for Water, Hon. Kibuule Ronald and the Managing Director, Dr. Eng. Silver Mugisha at IREC.

Lira district Holds World Water Day Celebrations

Lira district World Water day celebrations took place on the 31st of March 2015 in Kole. The event was attended by Key district leaders who included the RDC who was the guest of honour, the chairperson LCV, District water officer, CAO and district speaker. NWSC Staff were also present including the Area manager and the corporation was appreciated for its great contributions towards Health and community development.

Kansanga Team Preps For Sanitation Conference

The Kansanga Manager and engineer today 1st April met with other sanitation stakeholders at Makindye division boardroom. The meeting is part of preparations for a sanitation conference.

Water Quality Testing; Katwe

Water Quality teams were out in the morning drizzle, taking samples from various parts of Kampala. This is part of NWSC's commitment to quality service delivery.

Area Watch/ISDP updates

Rukungiri

@nwscug @NWSCMD That's true in my district it's only NWSC services which is always available @tufre80 @Jadwong

Mwebya Fred @Ugaman01 · 16h16 hours ago

@NWSCMD @nwscug @LKasande @Jadwong You have made many Ugandans get access to Clean and Safe water. When I look back 3 years ago & now, I smile

Kabale

Ongoing road works in the town have cut the pumping main from Kiyoola. This has cut supply to the town. Teams are on ground assessing impact of the damage and getting support from static plant to ensure restoration of supply.

WATER THEFT

As water theft continues to be a major concern, NWSC's has various programs that are pushing for the complete halt of this vice. Among them are the WALOP (Kampala), RESAIL (Entebbe) and SNARP (Jinja). This section aims at exposing those caught in this illegal act and give the various teams a platform to showcase their work.
