

NWSC Celebrates Palm Sunday with customers

30th March 2015

Staff from NWSC's country wide network descended on different churches in their areas of operation to celebrate Palm Sunday. As a corporation which views itself as part of the communities in which it operates, teams joined the general congregations in honouring the triumphal entry of Jesus into Jerusalem. From Mbarara where the team was at Kakoba Church of Uganda to Pader at Pentecostal Assembly of God Church, staff members flew the NWSC flag high. In line with the ongoing stakeholder sensitisations, the teams also set up info desks where worshipers could get information on all NWSC services in their area and have queries answered. Mbarara Local Gov't Honours NWSC

NWSC has received an award from the Mbarara district administration. The certificate was in recognition and appreciation of the corporation in its contribution to providing safe water and improving sanitation in Mbarara district. As part of its mandate, NWSC will continue to strive for 100% coverage and customer delight. The award is thus proof that the corporation is on the right track.

@EOthini @Jadwong @nwscug We shall intensify the network to serve the community there. You will be tapped from the school if you are near by.

Kajjansi

The Kajjansi branch team met with the Lweza Islamic community as part of their sensitization. The session was very interactive and questions regarding water quality, dry zones and water tariffs were addressed.

WATER THEFT

As water theft continues to be a major concern, NWSC's has various programs that are pushing for the complete halt of this vice. Among them are the WALOP (Kampala), RESAIL (Entebbe) and SNARP (Jinja). This section aims at exposing those caught in this illegal act and give the various teams a platform to showcase their work.
