Water Quality Team Carries Out More Field Tests

In the continued bid to sensitise the public and create awareness that NWSC's piped water is safe, the water quality team was in the field again. This time, they visited the areas of Kinawataka, Kireka, Naguru Katali, Nakawa Market, Matugga and Kawempe. In these areas, they took samples of the water and tested it for chlorine and its levels.

NWSC Soroti Celebrates Women's Day

Women's day in Soroti was celebrated on the 10th of March 2015. Despite being 2days after the national celebrations in Kabale, the event was well attended. Hosted at Boma Sports grounds, the guest of honor was the Soroti district RDC Isaac Lulaba. His wife and the Deputy RD were also in attendance. The day consisted of traditional dances, a march and much more.

Area Watch/ISDP updates

USAFI Market

With the source of the recent outbreak of Typhoid having been identified as unsafe water, NWSC has continued to install safe water points around Kampala. The most recent area to benefit from these installations is USAFI market, Menko. Thanks go to the NWSC network team

Kasese

The continued drought in the Kasese region has led to drying up of water sources used by NWSC. Above is the Dam from where water was sourced. The team has been advised to look for strategies to mitigate effects

@nwsug @NWSCMD ...I appreciate the feedback. Keep up the good work though. #Resilience

Masaka

The Masaka area has received 3km of 3inch pipes. These pipes are for the Kaswa/Senya mains extension.

WALOPU

Water Loss Protection Unit

As water theft continues to be a major concern, NWSC's Water Loss Protection Unit continues to push for the complete halt of this vice. As such, the WALOPU team is out every day, searching for those using water illegally.
