# WACOCO visits K'la councilors; sensitises on typhoid

Asia Nalunkuuma, WACOCO coordinator meets with Godfrey Nyakana, the Central Division Mayor. The WACOCO team visited Central and Makindye divisions to sensitise the communities on managing the typhoid outbreaks. WACOCO will also join the parish meetings to sensitise the communities on typhoid, clean water and hygiene related issues.

## Site for 500m sewer extension to Nakulabye Kiyindi handed to contractor

The 5<sup>th</sup> of March saw NWSC handover the site for a 500m sewer extension to Updeal limited. The extension will cover the areas of Nakulabye Kiyindi and works should take not more than 3 weeks.

Right, handover of site by Angelo

Below, DN 200 pipes for the sewer extension

## NWSC installs taps at Nakasero market

With the typhoid outbreak, NWSC has decided to provide safe water to public places within the city to help fight the spread. Works are in progress and updates will be made available by branch 1 and the network team

Nakasero vendors enjoy the clean water provided by NWSC

# Area Watch/ISDP updates

## Kigumba

2.5Km zinch extension being laid from Kigumba centre to Kitwanga. The new line will boost water supply to approximately 200 customers, most of whom engage in horticulture

## Luweero

Static plant team installing one of the generator in Luweero. This development will improve supply reliability

@nwscug @gabiroy My issue has been sorted. The drink is flowing...

## WALOPU

Water Loss Protection Unit

As water theft continues to be a major concern, NWSC's Water Loss Protection Unit continues to push for the complete halt of this vice. As such, the WALOPU team is out every day, searching for those illegally using water.

Eng. Godfrey Arinaitwe affiliated to WALOPU walks through Nakivubo Stadium after they discovered an illegal connection. Below, a WALOPU plumber unearths the illegal connection

## STOP WATER THEFT

Help stop water theft.  
Call 0800100977, 0800 200 977, 0800300977  
to anonymously report illegal connections.
