

NWSC Board Tours Nakivubo Waste Water Project Bugolobi

7th March 2015

The Board of Directors NWSC, led by the chairman, Dr. Eng. Christopher Ebal, the Managing Director NWSC, Dr. Eng. Silver Mugisha and top management on the 6th of March 2015 were in Bugolobi to assess progress of the Nakivubo Waste Water Treatment Project. The plant will not only treat 45million litres of waste water daily and serve 380,000 people but also generate 630KW of electricity

Dr. Eng. Christopher Ebal, Eng. Amayo Johnson and other board members tour the site of the project

Trinity College Nabbingo Hosts Zonal SWAS Club Launch

Trinity College played host to the Zonal Launch of NWSC's School Water and Sanitation Clubs (SWAS), inviting schools from the area to the event. Some of the schools represented were St Lucia primary School and St Joseph's Primary School. The schools presented Poems, Songs and skits centered on good sanitation. Protection of water sources and water borne diseases.

MD Graces Kibuli SS School Water And Sanitation Club Launch

The MD, Dr. Eng. Silver Mugisha on the 07th of March was at Kibuli SS for their launch of the School Water Clubs. Dubbed KWAS, Kibuli Water and Sanitation Club, the students presented a play that portrayed water theft and dangers of unclean water. There were also quizzes and poems during the launch. In the presence of students from Kibuli and Kibuli Demonstration School, the headmaster and club patron, he pledged full support to the club and also encouraged the students to be ambassadors of NWSC. Area Watch/ISDP updates

Kitgum

As part NWSC's ongoing sensitization drive, the Kitgum team on Friday 6th Feb visited Kitgum mosque. While there, they spoke to the congregation about water related issues like bill payments, tariffs and more.

Water Quality Testing

The Water Quality team left the Lab on Saturday 7th and hit the streets to test water samples. This was done to ensure that water meets NWSC and world standards

Hoima

On Friday, the NWSC Hoima team was at Bwikya mosque for Juma prayers. While there, the Area Manager spoke to the worshipers and the Imam also testified that service had improved. Those present were warned against water theft, a message echoed by the Imam, who said it was haram. A customer care desk was also set up outside the mosque.

WALOPU

Water Loss Protection Unit

As water theft continues to be a major concern, NWSC's Water Loss Protection Unit continues to push for the complete halt of this vice. As such, the WALOPU team is out every day, searching for those illegally using water.

The RESAIL team in Entebbe caught Kajjansi brick makers using NWSC water illegally. The culprits escaped but their property was taken to Kajjansi police station as exhibits.
